

Supporting you with revision

- What to revise – TOPICS, not subjects
- How to revise **effectively**

What to revise – TOPICS, not subjects

“I’m going to revise English Literature tonight” **X**

“I’m going to revise An Inspector Calls tonight” **✓**

How can I find out the topics I need to revise for each subject?

1. Ask your teacher(s)
2. Check the exam specifications online – **correct exam board and course number (use the GCSE revision guide list on the school website to help you)**

What to revise – TOPICS, not subjects

1. List the TOPICS in each of your exam subjects
2. Grade each **topic** between 1-10:
 - 1 – 3: if this comes up in the exam, I'm literally dead.
 - 4 -6: this topic is OK, but I need to revisit it.
 - 7-10: I'm smashing this topic.
3. Write a 2-week revision plan focusing on the lowest-graded **topics**
