Dear Parent/Carer,

DT Aprons

As part of our commitment to ensuring the safety and well-being of all students, I would like to remind you of the importance of wearing aprons during design, technology, and food lessons. Aprons are an essential component of our personal protective equipment, helping to safeguard your child from potential hazards in these practical subjects and part of the uniform.

We kindly request that all pupils bring their apron to these classes. Aprons are available for purchase from Birds, our recommended uniform supplier in Dereham. If you do not have one already please could you acquire one at your earliest convenience to ensure your child can fully participate safely. Naturally the apron also protects the rest of the uniform during the practical activity.

Thank you for your continued support. If you are unable to get an apron please could you let me know in advance of the lesson.

Kind regards ,

Mr P Taylor
Head of Design, Technology and Food
