Dear Parent/Carer,

Year 10 Revision Guides

Following on from our recent Year 10 parents evening, I thought it would be useful to provide you with some information regarding revision guides.

These can be purchased through the school via ParentPay until the end of February. It then takes approximately 3 weeks for them to be delivered.

Alternatively, you can source the books externally if you prefer. They are available from Pearson, Amazon and any good bookshop that can order books. However, the cost of buying the guides through the school is discounted.

For those entitled to Pupil Premium funding, the books will be provided by the school and do not need to be ordered.

Please remember that the exam board is AQA and if your child is doing separate science they need 3 revision guides. If they are doing combined science it would be either the higher or foundation trilogy guide.

I've listed the ISBN for each of the guides below.

Pearson AQA		(discounted price)
Biology higher	978-1-292-13503-8	£3.30
Chemistry higher	978-1-292-13128-3	£3.20
Physics higher	978-1-292-13152-8	£3.30
Combined science higher	978-1-292-13162-7	£5.32
Combined science foundation	978-1-292-13166-5	£5.32

Revision guides are not essential but are a very useful resource to have as the pupils begin to revise for their end of year 10 exams and their GCSEs.

Thank you for your continued support with helping your child achieve their potential.

Yours sincerely,

Mr J Scahill
Head of Science
Arkwright
Engineering Scholarships EST. 1991
